

# Multipurpose Electrician Scissors with Wire Stripper

Stainless Steel Blades	Notched Blade	Ergonomic Grips
Effortless Cutting	Securely Strips Wire	Comfortable Handling

## Effortless Wire Cutting & Stripping

Expanding on Aven's Electrician Tools, Aven introduces the stainless steel Multipurpose Electrician Scissors with Wire Stripper. Featuring a notched blade for securely holding wire for stripping, a serrated blade edge and ergonomic, plastic grips for comfortable handling, this two-in-one cutting and stripping tool effortlessly cuts and strips soft cable wire.

Features:

- High tensile steel blades
- Notch in blade for easy wire stripping
- Serrated blade edge
- Ergonomic, rubberized grips for comfortable handling
- Scissors also available with Cable Stripping Knife (#11010)
